DO YOU SEE SPECIAL BRANCH MEN IN EVERY PUB?. S.A.S. AT EVERY CORNER? ARE YOU SURROUNDED BY TOUTS?

DO YOU THINK YOU ARE A PARANOID?

EDITOPIAL DIGRESSION No1

WE ARE TOLD THAT CERTAIN INDIVIDUALS AND CERTAIN POLITICAL GROUPINGS FIND IN PADDY O'LOONEY A REFLECTION OF THEIR OWN IDEAS AND ACTIONS. NOW, THIS IS TRUE PARANOIA. WHAT MAKES YOU THINK THAT YOU ARE IMPORTANT ENOUGH TO BE WORTH OUR ATTENTION?

NOT TO MENTION, RED BIDDY

BUENOS AIRES NEW YORK LONDON
Dear Supporter
Last winter you very generously gave us a donation which helped to save the lives of "Old Nell" and thousands like her. This year there will be an even greater need for your support. The Government's continued inaction, plus their failure to provide pension increases which have kept up with the rise in fuel prices, means that we have many more opportunities to advertise the plight of old folk. This will relieve the Government of its responsibility, keep us in our jobs, and, most importantly keep old people in their place.
AS TEMPERATURES TODAY FELL TO THE LOWEST RECORDED IN FIFTEEN YEARS, WELFARE ORGANISATIONS ESTIMATED THAT AS MANY AS 45,000 OLD PEOPLE COULD DIE OF COLD THIS WINTER.
HYPOTHERMOMETER
WELL, AS YOU CAN SEE, WE'VE GOT HERE IN THE STUDIO A SPECIALLY DESIGNED HYPO-THERMOMETER WHICH COST THOUSANDS OF POUNDS AND WHICH WE'LL BE USING IN THE NEXT FEW WEEKS TO SHOW YOU HOW THE DEATH RATE IS RISING. FOR EVERY TEN DEATHS THAT BRIDGET CHARTS ON THE SCORE-BOARD, THE HYPO-
AND BRIDGET'S JUST MARKED UP ANOTHER DEATH ON THE BOARD!! WELL, LET'S GO OVER TO OUR GUESTS IN THE STUDIO AND FIND OUT IF THEY SEE A SIGNIFICANT TREND IN THIS LATEST RESULT!
CONTINUED NEXT WINTER
