Today, more than ever before,  
highly-politicised  
republican activists  
are determined  
and confident  
that they  
will see  
Ireland  
united  
and free.  
They have  
proven  
themselves ready  
to overcome  
the most  
repressive  
of British  
methods  
and in this they have set  
an example to all the  
oppressed sections  
of the Irish people.
