It must be crystal clear to the Irish People that Fianna Fail, Fine Gael and the so-called Labour Party have no intention ever of helping the people of the North in their struggle for freedom and justice. The Soldiers of Destiny Party led by Mr. Lynch have formed an un-holy alliance with the Blue Shirt Fine Gael Party and the shattered remnants of the Labour Socialists. By coercion, intimidation censorship of Press, Radio and T.V. they think they can suppress the right of our People to freedom and unity. They are mistaken! Heath and Faulkner have failed to suppress our people, so also native collaborators and quislings must fail.
