People's Democracy says

FIGHT TORYISM
NORTH & SOUTH

NORTH 40,000 people are out of work
45% of houses lack proper amenities
250,000 people have emigrated in the
last forty years,

leaving behind people, the
small farmer and the slum-dweller,
insecure and underpaid, divided into
Protestant and Catholic, and ruled over
by a Tory Government.

Join the campaign in the North against
the Unionist Government for,

One Man One Job,
One Family One House,
An end to discrimination and gerry-
mandering,
An end to the Special Powers Act and
'B' Specials.

Break the alliance between Church and
State - end the special position of the
Orange Order in the Unionist Party.

SOUTH 60,000 people are out of work
48% of houses lack proper amenities
1,500,000 people have emigrated in the
last forty years,

leaving behind people, the small farmer and the slum dweller, insecure and underpaid, united in religion, But remote from power, and ruled over by a Tory Government.

Join the campaign in the South against the Fianna Fail Government for,

One Man One Job
One Family One House
An end to disabilities against non-Catholics, such as the prohibition on divorce and contraception.

An end to the Offences Against the State Act.
Break the Alliance between Church and State, end the special position of the Catholic Church in the Constitution.

Peoples' Democracy is a broadly based socialist grouping, working within the Northern Ireland Civil Rights Movement. It began at Queen's University and is now organising across the Province. It has developed links with radical and socialist groups in Britain and the Republic of Ireland.
