17th January, 1966.

To: Sinn Fein Cumann Secretaries.

A Chara,

Herewith is a quantity of the first issue of 'THE REPUBLICAN EDUCATIONAL BULLETIN' published by the Republican Education Centre which has been established to co-ordinate the Educational effort between the different branches of the Movement.

It is intended that this Bulletin be circulated among all Republicans and you are requested to have this done in your area. It is suggested that your Cumann appoint someone to supervise the distribution in your area and also, beginning with the next issue, collect 6d per copy to help cover the cost of producing and posting it. If you could let us know the exact number of future issues which you will require it would be of benefit to us.

Yours faithfully,

REPUBLICAN EDUCATION CENTRE,

Sean O Bradaigh (Sinn Fein),
R. Johnston (Wolfe Tone Society).
