

# OCCUPATION NO MORE!

The people of Palestine have been living under a brutal, **settler colonial occupation for over 75 years** now. That occupation has led to some of the most horrific crimes being perpetrated against them by the **Apartheid state of Israel**.

We in Ireland know all too well about the realities of such an occupation. What is witnessed in **Palestine** on a daily basis is akin to the barbarity and worst atrocities of the **British Empire in Ireland** at any stage of our history.

As Irish Republicans, we oppose the **continued occupation of the north-eastern part of our country**. The centuries-long occupation of all, or part, of Ireland has been underpinned by a system of oppression, discrimination and brutality.

The **occupation of Palestine** is underpinned by that same system. The brutality of the Israeli state in their latest onslaught on Gaza has led to the **deaths of tens of thousands of men, women and children** and the displacement of almost **TWO MILLION** others.

The vast majority of Irish people **support the Palestinian people** in their fight for self-determination - seeing in their struggle an echo of our own **long fight for freedom**.

That **support is vital** in the struggle for the liberation of Palestine!

Keep voicing your support for the Palestinian people. Keep boycotting the Apartheid state of Israel, and **keep exposing their crimes and lies!**
