

LONG KESH CONCENTRATION CAMP INTERNEES' CAMP COUNCIL

IN ORDER to clear up any misunderstandings and to remove all doubts we wish to make clear our attitude to the forthcoming elections.

WE REJECT COMPLETELY the claim by any political party that they have our interests at heart whilst at the same time they intend to participate in the system which holds us as hostages.

IN VIEW of the breakdown of communications between us and our families because of the "no visits" we urge our families, relatives, friends and sympathisers to boycott these elections and

NOT TO ASSIST IN ANY WAY
any party whether abstentionist or otherwise.

Signed :

GERARD MAGUIRE,

Chairman Camp Council.
