**COME** irrespective of Creed, Nationality or Politics. The negotiations now proceeding between the British and Irish Nations may mean a General Election shortly. If you wish to record your vote in accordance with the principles of Justice, you cannot afford to be ignorant of a subject that is of great import to the future of these Islands. Ireland, one of the oldest of European nations, claims Her right to Self-Determination—Come and hear Her case stated frankly and fairly

If you are Irish it is your **DUTY** to join the League.
