

# Reject the RUC/PSNI

The youth of Ireland will not  
become British collaborators

**RUC/PSNI: 100%  
50% Catholic  
50% Protestant** **British**

NO British police force in Ireland has any right to patrol the Irish people under any guise. We call on the people of ALL 32 counties to reject Britain's RUC/PSNI and their attempts to have the Irish people 'police' British rule in Ireland for them.

Support a free Ireland; free of Britain's sectarian policies in Ireland, and support Éire Nua, and give the power back to the Irish people and its workers.

**British police out of Ireland!!**
