*Remember the Republican  
POWs and their families*

***There would be no Irish political prisoners in Ireland, Britain or anywhere else were it not for partition and the British occupation of the Six Counties. We appeal to everyone to give these Irish political prisoners and their families your fullest support- Tiocfaidh Ar La.***

*"If they aren't able to destroy the desire for freedom, they won't break you. They won't break me because the desire for freedom, and the freedom of the Irish people is in my heart. The day will dawn when all the people of Ireland will have the desire for freedom to show. It is then we'll see the rising of the moon."*
