KEVIN COEN

Riverstown, Co. Sligo

"May he rest in peace".

In Proud Memory of
Vol. KEVIN COEN

Active Service Unit
SOUTH FERMANAGH

Killed in action, Jan. 20, 1975.

As Dear as is the Holy Grot,
Where Cedar Forests wave,
Is that twice blessed
And glorious Spot—
The Irish Martyr's Grave.

"As the blood of the martyrs was
the seed of the saints, so the blood of
the patriot is the sacred seed from
which alone can spring new forces
and fresh life into a nation that is
drifting towards decay"

—Canon Sheehan.
