

Óglach Bobby Storey

who died on June 21st 2020
Aged 64

Bob Mór - An Crann Taca.
Bob Mór, Crannlaoch.

I have known many sound people
but Bobby was one of a kind.

He was a born diplomat,
a positive influence and a great motivator.
He was a uniter, a skilled organiser
and one of our great leaders.

We will all miss his wisdom,
his analysis and his craic.
We have an expression in Irish - Crann Taca
to describe a mainstay - a tree of support.
That was Bob.

Because of Bobby and others like him,
we are who we are.

And because of him we will be better
as human beings, as Irish Patriots,
as Republicans, as change makers.

GERRY ADAMS.
