May He Rest In Peace

*"What I am trying to get
across to you is please
take care of yourselves
and those that you love,
because that is what we are
here for, that's all we got
and that is all
we can take with us.
Are you with me?"*

Stevie Ray Vaughan

Do not stand at my grave and weep.

I am not there, I do not sleep.

I am the wind when you feel it blow,
and I have seen my children grow.

I am the rain, stars and sun,
my grandchildren's laughter
as they run.

I am the song within your hearts,
you're what is left of my living parts.
So stand not at my graveside and cry.

I am not there for souls don't die.
My life on earth has finally passed,
I've loved you all to the very last.
Don't cry for me but courage take,
And love each other for my sake.
